SENSORY INDULGENCES

BIODEGRADABLE GUEST AMENITIES

Eartherapy is available in ERP® which means that selected packaging within this range will fully biodegrade in landfill.*

*ISO DIS15985 & ASTM D 5511-02 standard test performance to determine biodegradation of plastic packaging materials under hi-solids anaerobic – digestion simulating landfill conditions. Independently conducted and analyzed by Northeast Laboratories Inc, CT.

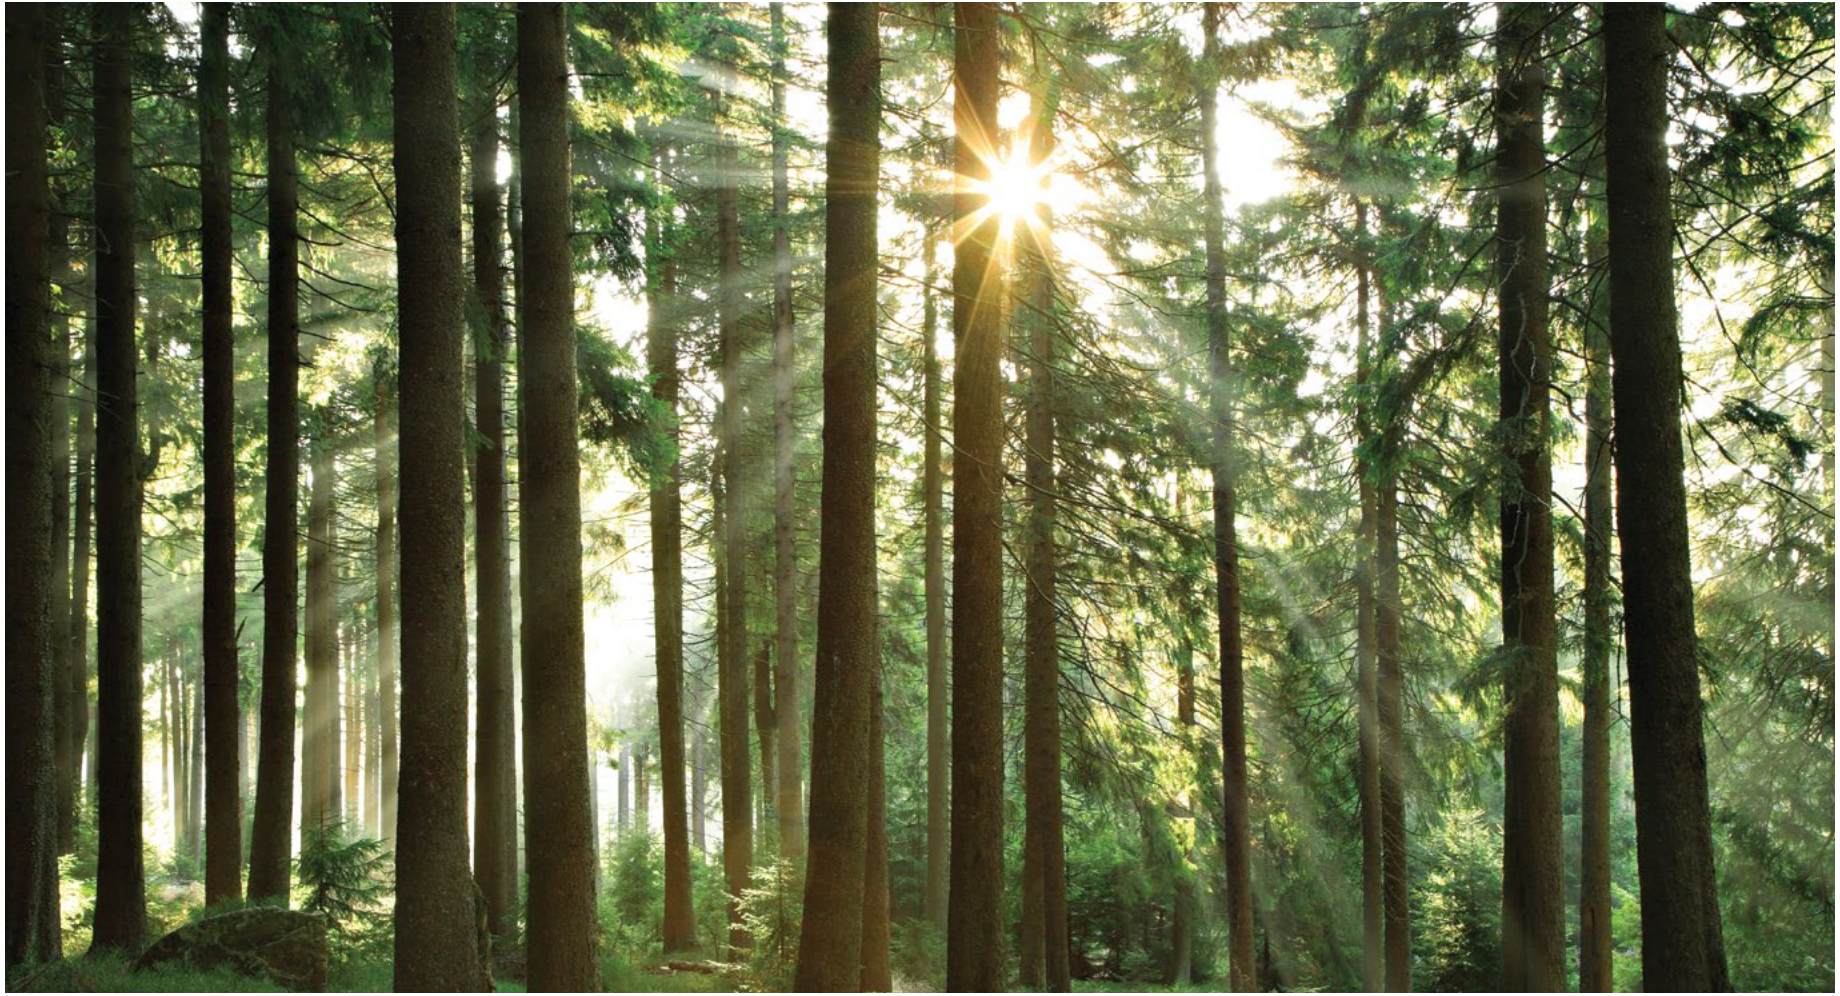
At Hunter Amenities we pride ourselves on being a world leader in the supply of amenities that deliver on quality, luxury and style

We have established expertise in all areas from design and formulation through to production, dispatch and delivery. With our head office in Australia and regional offices in Europe and USA, we are one of only a few amenity companies in the world that can offer a truly global supply solution.

To meet the growing environmental needs of both our customers and end users, we have developed our ERP® logo, featured on all our biodegradable products. All products carrying the ERP® logo fully biodegrade in landfill. ERP® packaging materials contain an organic based additive that renders any plastic material biodegradable in landfill. By choosing products carrying our ERP® logo you are helping to reduce the impact of solid waste in landfill.

Be environmentally responsible with ERP®.
Available exclusively from Hunter Amenities.

RESPECT TODAY, FOR A GREENER TOMORROW



eartherapy™

Be environmentally responsible with Eartherapy™, a complete range of hotel guest amenities that are truly biodegradable.

Containing an organic based additive, the packaging of our Eartherapy™ products are truly biodegradable and fully recyclable.

Our Eartherapy™ formulations also contain quality biodegradable ingredients that nourish and hydrate the skin.

Shampoo, conditioner, bath foam and soap feature an aromatic, earth inspired fragrance of pine, eucalyptus and amber. Eartherapy body lotion is infused with a nourishing, warm blend of vanilla and cinnamon.

Cleanse your conscience while providing your guests with nourishing lines of hair and body care spa products.
