

Enriched goes beyond just a healthy skin and hair collection for guests. The brand is focussed on being kind to people and the planet too. Infused with premium Argan Oil sourced from the Ajddigue Feminine Co-operative in Morocco, Enriched supports women's rights and empowering women.

## BRAND ATTRIBUTES

This stylish, fresh, contemporary collection has been created from premium ingredients and enriched with Argan oil to help promote soft healthy skin and hair. Extracted from the kernels of the argan tree, which is native to Morocco this exotic oil is rich in vitamins A & E, anti-oxidants, Omega-6 fatty acids, and linoleic acid. When applied to skin, it has anti-inflammatory and moisturising qualities. Argan oil is the ideal product to give hair and skin a natural boost.

The availability of this brand is subject to the brand owner's approval.
